Spring, 2010

Julie Smith, Library Manager, is Retiring!!

Julie Smith, MLS, AHIP, has announced her retirement as Library Manager on June 30, 2010, after 31 years at St. Joseph Hospital. We are currently recruiting for a **full time** Library Manager; Julie has been fulfilling the duties of Library Manager on a **part time** basis for many years. Julie and her husband plan to travel extensively, pursue their love of ballroom dancing, stay active and to be able to spend more time with family. Julie will also volunteer as a courier for the National Bone Marrow Association and plans to become involved in literacy training. Julie is extremely grateful for the opportunity to serve at St. Joseph Hospital and to work with such a dedicated library staff. Retirement is bittersweet!!

Big improvements coming for our Scientific & Medical ART Imagebase!!

- Over 2,000 new content items, bringing the total to over 20,000 medical illustrations
- Over 400 medical animations; A more user-friendly interface design
- Larger image previews; Expanded content categories
- A new browse option for filtering by content type, tag, category and language
- A keyword tag display to click for finding like items
- A faster search engine for a more efficient search experience
- Sophisticated editing tools for changing image titles and adding labels, etc.
- Tools for sharing and collaborating via social media
- You are free to use these medical and scientific images in lectures etc as part of our license.

All of our databases are linked off of the home page of our library website:
